CAREER OBJECTIVE

Final-year BCA student with knowledge of Java, OOP, SQL, Python, and web technologies, with hands-on experience developing automation and software projects. Seeking an entry-level Software Engineer role to apply programming, problem-solving, and backend development skills while building enterprise applications.

EDUCATION

Bachelor of Computer Applications (BCA) — KG College of Arts and Science | Expected 2027 | CGPA: 8.0/10
HSC (12th): Vijayalakshmi Matric Hr. Sec. School — 539/600

TECHNICAL SKILLS

- Programming: Java, Python, SQL
- Core Java: OOP, Exception Handling
- Web/Backend: HTML5, CSS3, Flask
- Automation & RPA: UiPath Studio, n8n Workflow Automation, Chrome Automation
- Tools: Git, Github, Ollama (Local LLM)
- Data & BI: Power BI

SOFT SKILLS

- Led a three-member team during a 30-hour hackathon, coordinating development efforts and successfully delivering a functional automation prototype within the deadline.

PROJECTS

AI Lead Management System | n8n, Ollama, Webhooks, Google Sheets | GitHub 2024

- Automated end-to-end lead capture and processing with n8n workflows and webhooks, replacing manual intake with real-time, hands-off routing.
- Integrated Ollama (local LLM) with Google Sheets and email alerts to auto-score and categorize incoming leads, notifying the team instantly on new submissions.

Devil-In AI | llama.cpp, Batch Scripting, HTML/CSS/JS | GitHub 2025

- Built a zero-dependency, portable local-LLM chat app for Windows by wrapping llama.cpp's server, enabling one-click offline inference from a USB drive with no Python or Docker required.
- Automated the install pipeline with a GitHub-API-driven script that fetches and configures only the required llama.cpp binaries and DLLs, reducing setup to a single click.

CERTIFICATIONS & ACHIEVEMENTS

- NPTEL — Google Cloud Computing Foundations, Elite (61), Aug 2024 – Oct 2024
- 2nd Runner Up – College-Level Project Competition, 2024

INTERNSHIP

Power BI Intern — NoviTech R&D Private Limited, Coimbatore May 11 – Jun 1, 2026

- Completed a 21-day hands-on internship focused on Power BI dashboarding and data visualization.
- Built interactive reports and dashboards, applying data modeling, DAX calculations, and visual design best practices to real datasets.
- Certified by NoviTech R&D Pvt. Ltd. (ISO 9001:2015), Certificate ID: PBIIN730.
